## Golf Tournament A Huge Success

Despite the threat of rumbling thunder, the players were able to finish all eighteen holes in the nick of time. Literally. Our team just finished putting on our last hole and the raindrops were just starting. We hadn't barely loaded our clubs in the cart and the downpour came. What a great time we had! The turnout was awesome with forty players competing for first place. Congratulations to the first place team of Brabble Insulation and the second place team of Built On The Rock. We wanted to especially thank Mike Keith of the Lowes in Beckley for the donation of the gas grill. Raffleing it off helped to make our web site possible this year. Thanks to all our sponsors who helped make this possible!!

## SWVHBA LAUNCHES NEW WEB SITE!!

Starting in July 2010 the SWVHBA will be launching a new web site. The rates are just \$25.00 per quarter or \$90.00 per year for advertising your company logo with a link to your web site. We are very excited about this event as it is the best opportunity yet to network into not just our local community, but state and national levels as well. It is also an informational tool to better explain what we are about and what we do. We hope to have it up and running in July. It will list a members page with contact information, an upcoming calendar of events, and the home page. The ads will be sold to members only. If you would like to order an ad, please fill out the order form and mail it in before the deadline.

# Thanks to all the folks who were able to donate items to help make the golf tournament a success!!!!
